

Allow Us To Create Beautifully Shaped and Scented Guest Favours for Your Special Day

We specialize in natural handmade designer vegetable glycerin soap and we take pride in the quality and craftsmanship of our products. We create small batches of luxurious natural soaps and have done research in therapeutic ingredients to help benefit the skin.

We provide guest favours for Weddings, Showers and other special events. We are happy to participate in your "Special Day" by providing beautifully shaped and scented favours that your guests will remember for years to come.

Our favours are unique, handmade, and personalized by YOU. You can select from all the soap varieties we make, and we can label your wedding guest favours however you would like. We can include the names of the couple and the wedding date on the favours, if you choose.

We offer several different sizes of soaps, and favours can be packaged in different ways. You have the choice of a) all natural, no packaging, or b) white or ivory organza bags or c) clear bags or d) clear gift boxes with a gold bow.

You can mix & match any scent or colour of soaps that will please your guests. Soap as a guest favour at weddings is especially appreciated by out of town guests who will use a travel size bar of soap right away!

Please place your order at least 30 days prior to your wedding, so that soaps can be cut, packaged, and the final touches made in plenty of time for your big day.
